Residential & Commercial accounts are billed a base charge for water and/or sewer service on a monthly basis regardless if your service is in use or not per CS&WD Rules & Regulations, and payment by the indicated due date is required to prevent interruption of service. You are responsible for water/sewer service charges including late fee and interest until you no longer own the property.

NOTE: Operating under the authority of the Special Districts Act, CRS 32-1-1101 et seq., the District will hold the Property Owner liable for all charges for water & sewer service, and any other fees or charges applicable, to the address where services are provided. Until paid, all fees and charges of the District including, but not limited to, charges for water service, sewer service, delinquent fees and penalties, shall constitute a lien on and against the property served, and any such lien may be enforced in the manner provided by Colorado Statutes and the District's Policies. This lien is perpetual and runs with the land. It is not lost upon transfer of the property to the new owner. Consequently, you as the new owner may become liable for unpaid charges not paid by the prior owner.
