

## *Use the Direct Approach with Cucharas Sanitation and Water District*

Since its inception in 1974, the Cucharas Sanitation and Water District has been providing the Cuchara Valley with some of the best water in Colorado while at the same time helping to maintain our area's pristine environment. District board members and staff work hard to ensure a high level of service at the lowest possible cost to homeowners.

Our Direct Payment Plan is just like the ones you probably already use for your other household expenses. If you decide to take advantage of the Direct Payment Plan, you can be certain that the water and/or sewer bill for your Cuchara home is always paid on time – no matter where you reside or what you are doing. Best of all, you will save both time and money because paying your monthly bill will require no extra expense on your part. At the same time customers who participate in the Direct Payment Plan will be helping the district hold the line on our billing expenses, a rapidly escalating cost for all utility companies.

Once you fill out and return the “Direct Deposit Authorization Form” your monthly bill will be automatically deducted from your checking or savings account on the 12<sup>th</sup> of each month. This authorization will remain in effect until you notify us in writing to terminate the authorization.

To take advantage of this convenient Direct Payment Plan, please complete the authorization form, attach a voided check and return to us at:

Cucharas Sanitation and Water District  
16925 State Highway 12, La Veta, CO 81055.  
Fax it to 719-742-3109 or email it to [admin@cuchara.org](mailto:admin@cuchara.org)

If you have any questions please call us at 719-742-3108
